WEEKLY MESSAGE FROM PASTOR FRICKE

Our Greatest Earthly Blessing

God gives us some amazing blessings—a home, a job, a community, an education. But the greatest earthly blessing God gives us is our children.

Raising a child isn't easy. It's expensive. It's time-consuming. And it can be frustrating. Kids need discipline. "No discipline seems pleasant at the time, but painful. Later on, however, it produces a harvest of righteousness and peace for those who have been trained by it" (Hebrews 12:11). As parents, we must not let love for our children crowd the love of God out of our hearts. When we fail to discipline them, when we give them little or no guidance, when we can't bring ourselves to tell them no, we're not helping them. We're not being kind. We're hurting their souls.

The greatest earthly blessing God gives us is our children. That's true. But we must never forget that the greatest spiritual blessing God gave us is his Son. The peace we know through his forgiveness cannot be surpassed. So, love your children...but love God above all things. When your kids need it, discipline them. And then, let them know that just as Jesus forgives, so do you.
