**Your Support Will Help Fund
a New Playground for the Children**

Rejoice in
the Lord
always!
I will say it
Again –
REJOICE!

We are currently making plans to update the playground. The Heritage Patio provides an opportunity to honor people and events AND provide funds for the new playground. Your engraving of a brick will allow someone, some event, or some message to be remembered for years to come. Your contribution will bring joy to many children. This is a win-win opportunity.
