

Trinity-St. Luke's Lutheran School Cell Phone Agreement

Subject: Student Cell Phones
Adopted: August, 2020
Updated: June, 2026

In the TSL Discipline Handbook you will find our school's policy regarding the possession and use of electronic devices during the school day. The goal of our electronic device policy is to provide guidelines for the safe and productive use of these devices as well as ways to keep the your family's property safe.

Our enforcement of this policy is made more manageable by knowing who has these devices at school. If your child will be bringing an electronic device to school in the 2026-2027 school year, please complete the rest of this note and return it on or before the first day of school.

If you have any questions, please don't hesitate to contact us. We appreciate your partnership in this matter.
