

TSL Permission to Walk Off-Campus: 2026-2027

On a number of occasions the students of Trinity-St. Luke's will walk off-campus to either Luther Prep School, Trinity Lutheran Church or to the Clark Street campus. Rather than re-send permission slips for each of these occasions, we are hoping to streamline the process by having parents grant permission in writing once. These trips are always with the school day and we will still communicate with parents about when and where students are walking prior to each trip. We will just be able to eliminate separate forms that need to be signed for each.

Please complete the following information below and return to the school office:

I _____, give my permission for my child(ren),
parent name(s)

_____, to walk off-campus

to either Luther Preparatory School, Trinity Lutheran Church or the Clark Street campus for any field trips, activities, or other in-school activities that may arise. I understand that Trinity-St. Luke's will still communicate when these trips will take place and for what reason, but also understand that a separate permission form will not be sent home.
