Please note:

Singing *God's* praises is one of the ways we show love to Him for all He has done for us. Our students are taught this starting as 3 year olds in the 3K program and continue to be encouraged to sing their praises throughout their education at TSL. All students are encouraged to participate in all singing engagements that their class is scheduled to sing at. Please contact your child's teacher if your child is not able to participate due to illness, death in the family, or any other emergency.
